FOREWORD

As the 20th class to graduate from South Kingstown High School, we, too, have seen many changes since 1971, our Freshman year. We, the graduating class of 1975, still look proudly on our school as did those students of 1955.

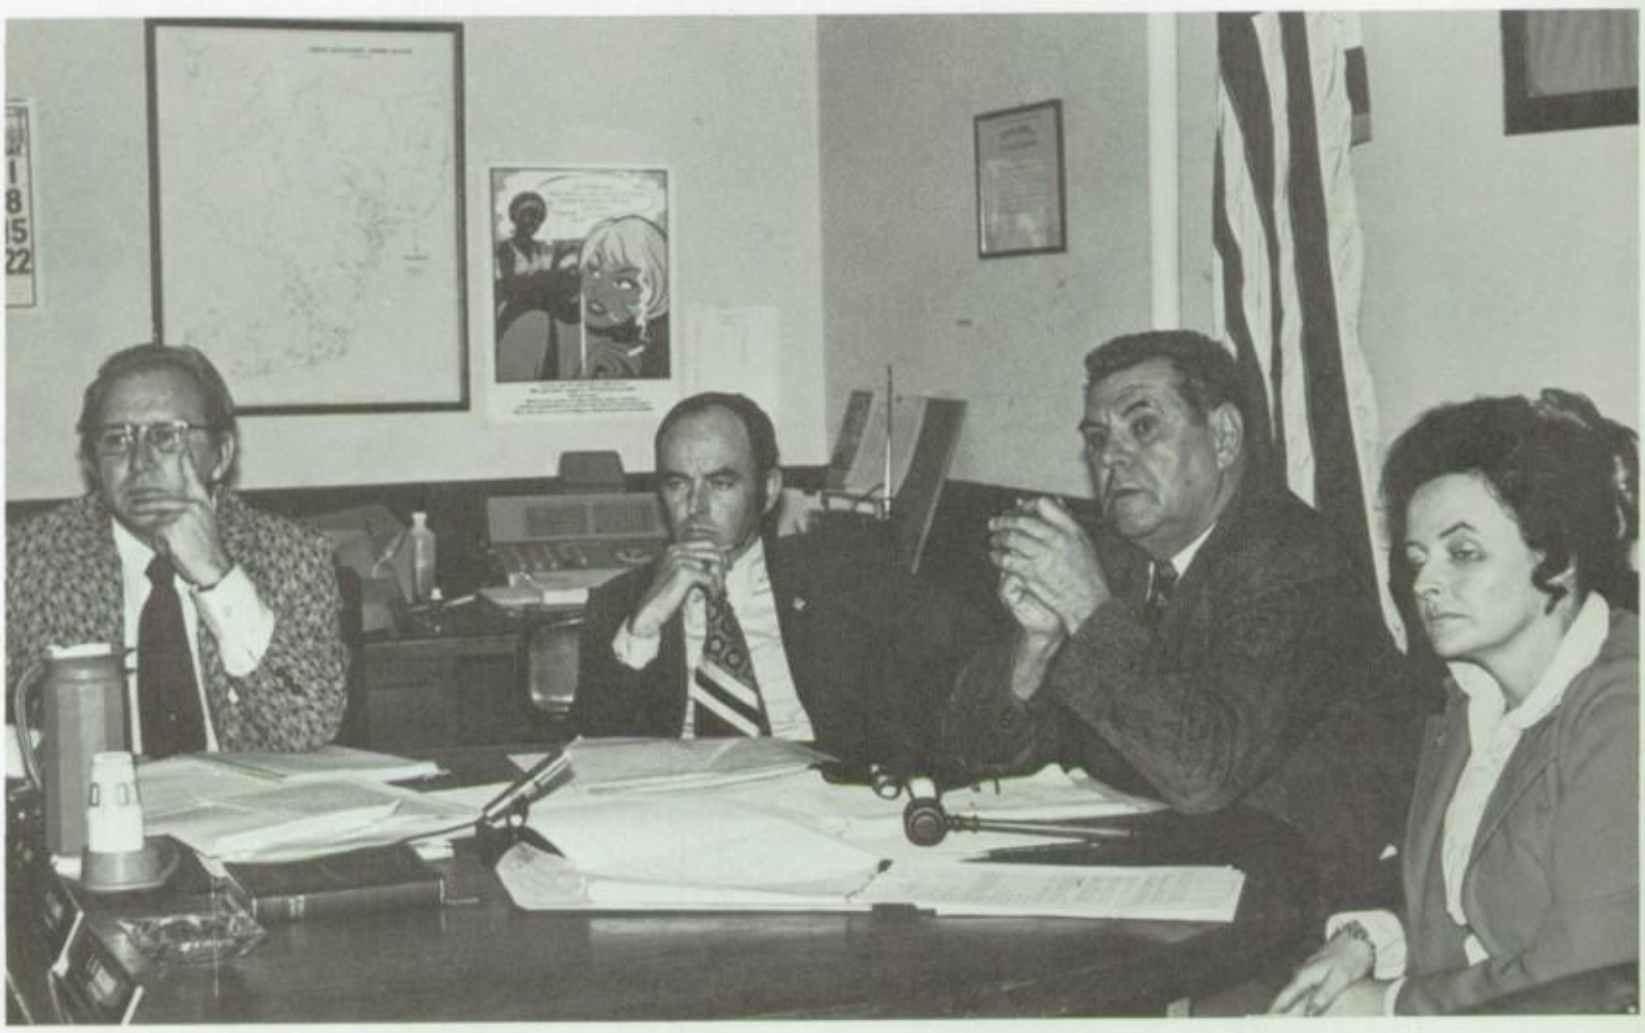
In presenting the 1975 edition of The Anchor, the staff sincerely hopes that this volume will become a treasured memorial to the four brief years that we have spent together. May this pictorial record preserve the spirit of friendship and loyalty that marked the mutual experiences and accomplishments of our high school years.

Dedication

We, the class of 1975, would like to dedicate our yearbook to a teacher who has gone beyond teaching facts and figures to explaining the importance of developing as individuals. We thank you for this Mr. Glen Rolofson.

FACULTY AND ADMINISTRATION

SCHOOL COMMITTEE (L-R): Mr. Wallace, Mr. Moffit, Mrs. Kenyon, and Mr. Taber.



TOWN COUNCIL (L-R): Mr. Coffin, Mr. Hamilton, Mr. Bischoff, and Mrs. DiSanto.

To the Class of '75:

"May you live in interesting times" is an ancient Chinese farewell. But I know that I need not wish it for the class of 1975, because you already do live in interesting times. Frightening, disheartening, yes; but "interesting."

Sputnik, man on the moon, the assassinations of the Kennedys and Martin Luther King, the civil rights struggle, the Cuban confrontation, automation, Vietnam, women's rights, students' rights, the rise of the have-not nations, Watergate, pollution, and the crises in energy and food — all within your short lifetime and all part of the first wave of the Future Shock which is bound to continue.

There are many who take a dark view of the future but I am not one of them. I think young people are great — given the kind of world you've had to live in — and I have great hopes for the future that you will help to make for America and for the world.

Take heart, be of good cheer. The times will be interesting.

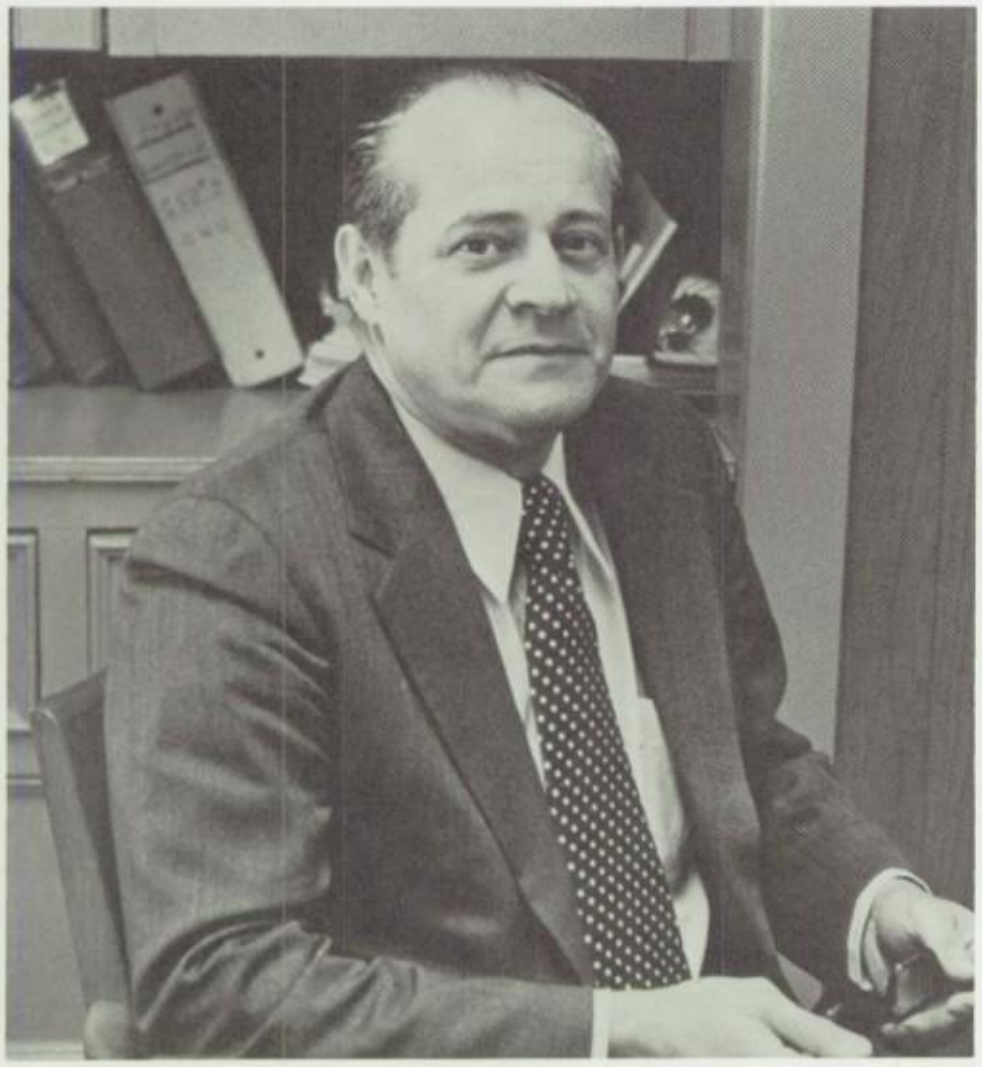
Irving F. Wardle, PRINCIPAL



George W. Graham, SUPERINTENDENT OF SCHOOLS

To the Class of 1975:

I wish the best and hope that you will continue to be active seekers of information. Never lose the desire to learn and improve. If you remain flexible and adaptive human beings, you will be sure to survive in a society which is continually accelerating its rate of change.

The best of luck to each of you in your future endeavors.

On the last day of school in June, 1974, a tea was given to honor Mrs. Kathleen Doherty. Faculty and friends gathered to express their deep affection and sincere appreciation for Mrs. Doherty's 25 years of dedicated service to the many students and teachers of South Kingstown High School.

To make it official, Mrs. Doherty, thank you . . .

CLASS HISTORY

FRESHMAN YEAR

On September 4, 1971, we entered S.K. as Freshmen. Feelings of excitement, anticipation and bewilderment passed through our minds as we sat in classes those first few days. It wasn't uncommon to see one of us wandering through the halls inquiring as to the whereabouts of the gym or the cafeteria. Because we were the youngest, we were subjected to much teasing and ridiculing by the upper classmen.

Soon, though, we became accustomed to high school and sought to pass the time in various activities. Some girls developed crushes on upper classmen; some boys learned to start fires in science.

Both boys and girls who were athletically inclined went out for sports. Those boys who went out for football played on the Freshmen team. They were: Steve Arnold, Mike Rogers, John Manchester, Bill Kelly, Randy Harger, Randy McKiel, Doug Carr, Greg Boss and Mason Wilson. These same guys were on the football team for the next three years. Boys who played basketball on the Junior High team included: Girls on the Girls' Basketball team were: Phyllis Dunlap, Cathy Weaver and Julie King. Girls participating in gymnastics were Jane Goodwin, Jill Smith, Laurie Wedeisweiler and Gail DiMartino.

During the spring several guys joined the baseball team. There were Joel Stedford, Steve Arnold, John Manchester, Tom Rogers, Stan Rogers, Brad Asher, Don Wheeler, Doug Carr, Ron Miller, Greg Boss and Walter Gray.

Track also claimed several members of our class. They were Phyllis Dunlap, Mike Rogers and John O'Leary.

At the beginning of the year we elected class officers. They were: President — Steve Kenyon, Vice-President — Chipper Laffey, Secretary — Beth Sherman, and Treasurer — Phyllis Dunlap.

Because we sponsored no major activities in our Freshman year, we had little money in our treasury, only $15.00!

Our Freshman year had speeded by and in June we felt much different than we had in September. No longer were we bewildered or even excited. S.K.H.S. had become familiar to us.

SOPHOMORE YEAR

We returned to S.K. to see our friends and continue our studies. In early October we elected class officers. They were: President — Sue Racquer, Vice-President — Doug Carr, Secretary — Shirley Cresser, Treasurer — Beth Sherman. Mr. Mournighan would be our class advisor for the next three years.

In our second year we sponsored several activities including a Christmas tree sale which made about $125.00, a candy sale which made about $400.00 and a car wash which made another $125.00. At the end of our Sophomore year we had about $650.000 in our treasury.

Again our class was active in various aspects of high school life. The football players began to see more action on the field, especially Doug Carr and John Manchester.

Basketball players now played J.V. Blaine McBurney played varsity. Phyllis Dunlap and Cathy Weaver played girls' varsity basketball while Avis Hazard, Liz Stephens, Jody Brown and Julie King played J.F. The Baseball team began to get off the bench, especially Joel Stedford. Many more people went out for track this year including Curt DiMasi, Peter Barbera, Bill Kelly, Randy McKiel, and Bill Patric. Girls' track included Mary Jane Cayer, Liz Stephens and Phyllis Dunlap. Of course there were cheerleaders to lead sports fans in enthusiastic cheers for various sports. They were Beth Sherman, Karen Gardner, Sue Racquer and Gail Costa.

Cultural activities also interested several members of our class. Mary Jane Cayer, Sherril Sandel, Beth Sherman, and Shirley Cresser helped in the drama club's major spring production, BYE, BYE, BIRDIE. Foster Tucker, Heather Russell and Vicky Henry were elected for All State Chorus. Stage band members included Chipper Laffey, Liz Stephens and Jody Brown.

Towards the end of our Sophomore year many of our class members selected and ordered class rings. We now realized that next year we would be juniors, UPPER CLASSMEN!

JUNIOR YEAR

Our Junior year, from beginning to end, seemed to fly by. Many of us had or were getting our driving licenses. It was not an unfamiliar sight to see classmates cruising by McDonald's was the local hangout for all Piston Freaks. (P.F.'s) Our guidance counselors were preparing us for the SAT's and Achievement tests. Many of us would be taking them in the spring. In November our class rings came in.

Our class officers for the year were: President — Mike Rogers, Vice-President — Shirley Cresser, Secretary — Mary Jane Cayer, and Treasurer — Beth Sherman.

Activities during the year included a paper drive netting $105.00, selling candles bringing $200.00 and, of course, the S.K. Pades and Junior Prom. Now that we were finally in the middle of some of our main activities of our high school years, we hardly knew where to begin, but in November we decided to begin our S.K. Pades. The show was entitled "A Friend Is Someone Who Likes You" and revolved around a theme of friendship. It was held May 10 and 11. We couldn't have produced the show had it not been for Mrs. Daniels, our advisor. Chairwomen were Cheryl Ladd, Wendy Hosley and Nancy Grant. M.C.'s were Sherril Sandel, Beth Sherman, Bob Toth, Bill Kelly, Bill Hogan and Mike Rogers. Several highpoints of the show included a skit with John Manchester and Curtis DiMasi acting in a rather gay manner, Kathy DeFeo singing "Bridge Over Troubled Water" and a poetry reading about a soldier dying in Viet Nam written by Pat Moran. Because of endless meetings and numerous rehearsals our class came to know one another and became closer.

Our Junior Prom was held May 24 at the Lighthouse Inn. Prom Queen was Beth Sherman. We dined and danced until 12:30, attended the post prom at the Holiday Inn and many of us attended private breakfasts.

Involved in the Advanced Drama Class' production of "The Me Nobody Knows" were Cindy Follet, Gail Costa and Doug Clayton.

Math team members included Jeff Greene, Phil Gould, Bill Hogan and Doug Clayton.

Most of the basketball players, both boys and girls, played varsity during the year. Blaine McBurney gained statewide recognition as an excellent center as did Phyllis Dunlap in girls' basketball.

Wrestling became more and more popular. Boys going out for this sport were Peter Barbera, Steve Franco, Gary Cruickshank and Mike Rogers.

Randy McKiel, Bill Hogan, Phil Gould and Jim Vuono joined track this year. Mike Rogers and John O'Leary were selected for the State Track Meet. Mike Rogers holds the record for the '440' while John O'Leary holds it for the 'two mile' and Mason Wilson holds it in throwing the shot put. Girls on the track team were Jane Goodwin and Joan Fetter.

As our Junior year ended, we felt that we had all become better friends and had grown both individually and together. We began to look forward to being SENIORS!

SENIOR YEAR

On September 6, 1974, we began our last, and perhaps our most important, year at S.K. We really began to perceive and understand the problems not only in our school and community, but those major problems throughout the world.

Many of us made achievements and gained respect during our last year. Jeff Greene was selected as President of the Senate in the R.I. State Model Legislature and in S.K.'s own Model Legislature. John O'Leary was the Governor in S.K.'s effort while Blaine McBurney and Phyllis Dunlap held the position of and House Minority Leader respectively.

Blaine McBurney was elected President of the Student Council, Jeff Greene was elected Vice-President and Phyllis Dunlap was elected Treasurer. Other Student Council members were Wendy Hosley, Bill Hogan, Liz Stephens, Shirley Cresser and Steve Kenyon.

Beth Sherman edited the 1975 ANCHOR, Cathy Weaver, assisted by Junior Jim Newman, started our first underground newspaper in several years. It was entitled 'The Sinking Kingdom' and contained many articles, opinions and poems.

Karen Gardiner was head cheerleader and Cindy Mellor led the Majorettes.

Jane Goodwin received the Betty Crocker Award for her outstanding homemaking and cooking ability. Nancy Grant won the DAR award.

Blaine McBurney and Joel Richmond played outstanding basketball in their Senior year. The team's record was and they attended the State Playoffs. Blaine received several scholarship offers. Joel Stedford excelled in baseball as a 3rd baseman. He, too, had several scholarship offers. The girls' basketball team had a fantastic year with a record of twelve and one. The Rebelettes beat their rival, North, for the first time in five years and went to the State Playoffs as the first place team in the Southern Division. Phyllis Dunlap, hailed as one of the best girl athletes in the state, was selected to play first string in the All Division Game, while Liz Stephens was on the second string and Jody Brown received an honorable mention.

Class officers were: President — Mike Rogers, Vice-President — Beth Sherman, Secretary — Mary Jane Cayer, Treasurer — Doug Carr.

Activities this year included a spaghetti dinner and several dances. The LSnowball was held on December 27 at the Quidnessett Country Club. Karen Gardner was elected Queen.

Mary Jane Cayer, Caroline Huston, Kathy DeFeo, Jody Brown, Cindy Follett, Doug Clayton, Gail Costa, Vicky Henry, Mike Huntly, Brad Asher, Shirley Cresser, Beth Sherman, Sherril Sandel, Liz Stephens, Maria Trotsman, Mel Chafee and Pat Moran, participated in the Advanced Drama Classes' production of 'L'il Abner' on February 12. Going to the State Chorus were Debie Sweet, Heather Russell, Vicky Henry, Foster Tucker and Maria Trotsman.

As this yearbook goes to press most Seniors are suffering from 'Senioritis.' We are counting the days until June and graduation. We will be happy to leave S.K. on the surface, yet underneath many of us are filled with fears concerning our futures. One doesn't realize that, in a way, we shall never be as free, never shall we be able to experiment . . . make mistakes . . . learn and yet not be totally responsible for ourselves. We can never relive these four years, nor sometimes do we want to, but we can nostalgically recall the significant events, people, friends, teachers, proms, games, parties and classes which have made them unique years in our lives.

COACH BROWN

The Rebel gridders, sporting a 6-3 record, completed their first winning season under the coaching of Don Brown. The Rebels, led by Captain John Manchester and Quarterback Doug Carr, captured 3rd place in the Class B Small Division. Although the offense sometimes didn't perform up to par, the defense kept South in the game. With 1st team all-class middle guard Greg Norman in the middle, the defense shut out the opposition three times.

Last year's tennis team improved immensely over its previous year's performance, winning four matches decisively. Senior tri-captains Jon Wood, Gerry Polk and Charlie Faella had better personal playing records and left the team with the winning tradition.

Promising sophomores, Jim Findlay and Sue Rand broke into the starting five and won important matches on their own. With new transfers and improving sub-varsity players, plus returnees, Findlay, Rand, Clayton and Leslie, MacEneany's tennis team has a bright future.

Girls' Cross-Country Track 1974

Although it was the first year for girls' track at South Kingstown, the team had a successful season. Despite losing a meet to North during the season, the varsity team placed 7th out of 9 teams in the Southwestern Division. Quite an accomplishment for a first-year team. The varsity team closed the season with a 3-6 record.

The junior varsity team also had a successful season. S.K. J.V.'s beat North and East Greenwich in a tri-meet and proceeded to capture second place in the All-State.

The South Kingstown Girls' Cross-Country team finished the 1974 season capturing first place in the Western Division and second place in the Rhode Island Interscholastic League's annual State Meet.

Sophomore Sherry Murphy was the top runner for the team all season. She finished first individually in the state meet and was named to the girls' all-state cross-country team. Seniors, Phyllis Dunlap and Liz Stephens, who also played a major role in leading the Rebelettes to an undefeated season, were named to the second all-state team. Other team members who contributed all season to the team effort were Ann Larkin, Sue Rand, Dorrie Cain, Sherry Priest, Cindy Murphy, Carol DeRita and Margaret Hogan.

Much credit goes to the coach, Mrs. Joyce Ryan, for starting a girls' cross-country team two years ago. Mrs. Ryan assisted the girls to victory with her great coaching advice and complete confidence.

After many months of preparation, the Junior Class presented the S.K. Pades on May 10 and 11. Typifying the theme, "A Friend Is Someone Who Likes You," M.C.'s B. Sherman, S. Sandel, B. Kelly, M. Rogers, B. Toth, and B. Hogan introduced the audience to some "Imaginary Friends," "Stuffed Friends," and others. Highlights of the show were the Junior Girls' song, "You've Got a Friend," and the finale, "I Get by With a Little Help From My Friend." The show was a total success both nights and our class was a little bit friendlier as a result of our efforts.

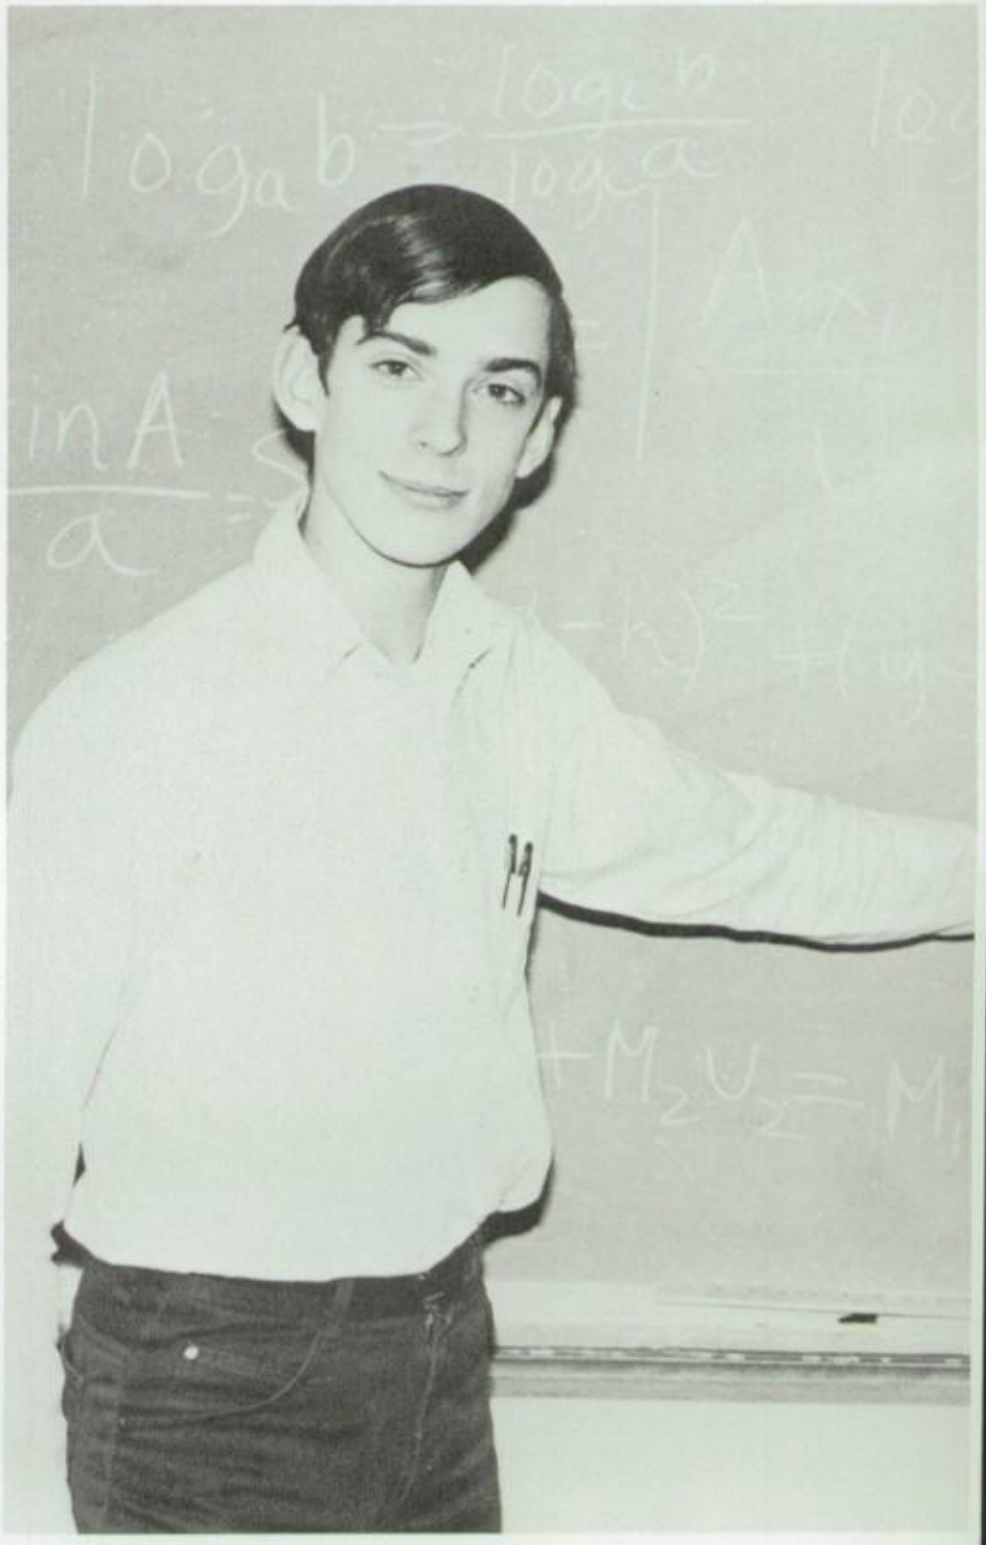
T. Robinson — Advisor



P. Gould — Captain

At press time, the S.K.H.S. 1974-75 Math team, advised by Mrs. Thomasine Robinson and captained by Phillip Gould, has continued its four-year, regular meet unbeaten string with a record of 3-0. As there are only 4 regular meets in a year, this superb record almost certainly guarantees the team the 1st place spot in their division, as well as a chance to go to the State and New England Regional Meets. Thus, as usual, the Math Team had a great season.

Gordon Tucker has discovered that the trees in Eric Palms nursery produce fantastic cereal nuts . . . tick, tick, tick . . .

Cover girl, Paula Valliere, has become the model for photographer Norreys Whalen. Mr. Whalen has photographed many other famous models such as Debbie Tarbox and Nina Minschwaner . . .

Cars are out as far as Sally Harden is concerned. She has just opened a stable on Tuckertown Road in Wakefield and has bought the finest breed of horses available from Miss Ann Willett who happens to be an old schoolmate of Sally's . . . tick, tick, tick . . .

Detective Donald Hazard who teaches at the South Kingstown police academy will see his first class graduate this month. Outstanding patrolmen in the class were Palu McGrane, Brian Russell and Greg Winn . . .

The United States has a new National Heroine by the name of Cheryl Whidden. She saved the lives of boating accident victims Angela White, Carol McKenzie, Bill Patric and Jennylyn Beaudete when she dove into the cold Atlantic and pulled them to safety one by one and brought them to shore in her own small craft.

Realtor Karen McAuliffe has just sold the empty Weible Block to Barry Gee and Bob Colston for their fast growing furniture store. They have hired moving experts Frank DeLuise and John DeSalvo to help him remove his merchandise from the now too small store on River Street in Wakefield . . .

Lawyer Steven Archibald Kenyon will open his new office next to Schillers in Narragansett to keep the business going. The question that comes to mind is which business? . . . tick, tick, tick . . .

The machine sputters a little and the screen goes black. Curtis DiMasi, the man who is in charge of the entire fair, reaches up, shuts the machine off and closes the exhibit until the next day, his assistant Rolleen Card takes reservations from disappointed spectators Cheryl Benway, Steve Gardiner and Lisa Caruolo. They will each have the machine at least once before the Fair comes to a close . . .

Pam,
Well, we've been neighbors and friends for close to 12 yrs. We've had classes together this year - French and English. I hope we have some together next year. Remember French and dear old Mrs. Hodge, and English and Mrs. Geissler. What a year!! Good luck with Ken. Have a good summer and don't fall off your bike too many times. Maybe I'll see you once in awhile.
Love,
Kathy

We, the class of '75, are a group of individuals expanding our knowledge in fields which interest us. The goal of this book is to be a reflection of our development in these fields. It is my hope that this yearbook will fullfill its goal.

I've enjoyed working on this book, but, most of all, I've enjoyed the completion of it. As Editor, I would like to thank Mr. James E. Sweet, our Advisor, for all he has contributed. I would also like to thank Mike Thompson for his cover design and photography, Terri Gorsky for her photographs, the entire staff, Mr. Joe Jeffory, our photographer from T.D. Brown, and Mr. John Levis, our representative for Taylor Publishing Company.
